SEXTANT

CLAIMS ADMINISTRATORS

Sextant Claims Administrators is a third party property and casualty claims management company. We successfully administer and adjust property and casualty insurance and self-insured programs across the United States.

Exacting Claims Management

Accuracy in the Elements of Loss

Sextant Claims Administrators is a new name for a 30-year old allied division of the 70+ year old Tenco Services, Inc. We are dedicated to providing turnkey claims management and administrative services for you and your clients. We currently administer liability and property accounts with exposures throughout the mainland of the United States.

Our cutting edge, claims administration software provides secure, accessible claims data along with customized reports to you and your appropriate entities.

By offering 24 hour, personalized claims response, you can be assured of daily best practices claims management.

We handle only those lines of claims business where we have significant managing experience.
